GEORGIA

**Public Information Open House  
Johnson Ferry Road/Mt. Vernon Highway Intersection Improvement Project  
August 30, 2018**

Thank you for attending the Public Information Open House for the Johnson Ferry Road and Mt. Vernon Highway intersection improvement project. In this handout package, you will find a description of the project, project facts, proposed alternatives, and a comment card.

There will be a short presentation followed by the open house. There are three stations. Each station will have the same project information. City of Sandy Springs representatives are available to discuss the project alternatives and answer your questions. You can also provide input by filling in the comment card during the Open House and dropping it in the comment box.

Residents can follow the project's progress online at [sandyspringsga.gov/jfmv](http://sandyspringsga.gov/jfmv).

Again, thank you for attending this open house.
