Thank you for attending the Public Information Open House Meeting for the Path 400 Trail Extension Project. This project proposes construction of a 12-foot wide, paved, multi-use path primarily within the right-of-way of SR 400, from Loridans Drive NE to south of Johnson Ferry Road in Fulton County, Georgia.

The purpose of this open house is to provide the public with an opportunity to view the trail plan, ask questions, and comment on the project. There will be a short presentation, followed by the open house.

Displays and handouts from this evening can be found online at:
