- Units responded to reports of a structure fire in the 8200 block of Colquitt Road. The crew arrived on scene to a two-story multi-family dwelling with smoke showing from the structure. While performing a 360 inspection of the building, personnel found a pile of trash burning on the rear concrete porch of an apartment unit. Firefighters extinguished the fire using two water cans. Crew removed all burned material from the porch to the ground outside the building. No hazards remained on scene.
- Units responded to reports of a dumpster fire behind a shopping complex in the 6600 block of Roswell Road. Once on scene, the crew found a trash compactor on fire inside the container. Personnel deployed a 1.75" trash line and quickly knocked down on the fire at the front of the compactor. The crew called for a tow truck to pull the dumpster away from the building, so fire personnel could open up the dumpster to finish extinguishing the fire. Most of the fire was contained to the front portion of the dumpster, making it easily accessible once the crew had the door open.
