- Units responded to reports of a rubbish fire on I-285 eastbound by the Chattahoochee River Bridge. Upon arrival, crewmembers found a speaker box with speakers on fire that someone dumped out of a vehicle. Personnel extinguished the fire and turned the scene over to Sandy Springs Police.
- Units responded to reports of smoke in the attic of a residence in the 4300 block of North Buckhead Drive. Upon arrival, the homeowner stated the restoration company onsite located hot embers and smoke in the attic space. The property had experienced a fire two days previously. Fire appeared to have started on the exterior rear porch and extended to the interior of the residence. Investigation of the second floor in the attic space above the master bedroom revealed smoldering embers in the roof rafters. Fire crews accessed rafters with a ladder, removed studs, and extinguished embers with a water can. Personnel checked additional structural areas affected by fire for residual hot spots using thermal imaging cameras.
- Units responded to reports of an outside fire in the 700 block of Northland Court. Upon arrival, crewmembers found roughly one-quarter acre burning. Personnel established a positive water supply, extinguished the fire, and extinguished any remaining hotspots.
