- Units responded to reports of a vehicle fire within a parking deck in the 6000 block of Roswell Road. Fire was isolated to the rear engine compartment. Crewmembers performed overhaul and found no fire extension to other compartments of the vehicle. The vehicle sustained moderate water damage to the interior of the vehicle during fire extinguishment.
- Units responded to reports of a vehicle fire in the 100 block of Johnson Ferry Road. Upon arrival, personnel found that construction crews had deployed an ABC extinguisher on the vehicle and no fire was present. Crewmembers opened the engine compartment and used a water can to extinguish hot spots in engine area.
- Units responded to reports of a microwave fire in a high-rise apartment in the 700 block of Hammond Drive. Upon arrival, personnel found that the occupant had extinguished the fire using a fire extinguisher. Crewmembers found no extension. The microwave contained a stack of paper that was charred. Crew contacted a fire investigator and took pictures of the microwave and contents for a potential investigation. Personnel evacuated smoke from the floor using positive pressure ventilation.
- Units responded to reports of a vehicle fire on I-285 eastbound by Northside Drive. Personnel arrived on scene to find a single tractor and trailer with the cab of the truck on fire. Crew put down chocks to stabilize the tractor-trailer, and stretched hose for extinguishment. Personnel extinguished the fire in the cab and requested a heavy wrecker to tow the vehicle. Sandy Springs Police had the roadway shutdown. HERO units arrived on scene for traffic control.
