 Description and Location of Walls: _____

I, _____, being the owner of said property, or a representative for same, and being duly competent as regards retaining wall design and construction, and knowledgeable of the requirements of Sandy Springs development standards and ordinances, hereby certify with my signature below:

- That the plans I am submitting herewith for 4' – 6' high retaining wall(s), are in good practice as regards drainage and structural stability;
- That said retaining wall(s):
 1. will not result in disturbance or erosion to other properties;
 2. do/does not block, cross, or eliminate access to any easement, buffer, setback, detention/retention pond, or tree save area;
 3. will be constructed under the supervision of a qualified and registered design professional and licensed contractor; and,
 4. Will result in a safe and code-conforming installation.

As the owner or his/her representative, I certify that I hereby indemnify and hold Sandy Springs harmless from any and all claims resulting from the issuance of this permit.
