hit and run with a white SUV came out on Sandy Springs Circle just north of Cliftwood Drive. Units from Patrol, Bikes, K9, and Street Crimes converged on the area looking for the white SUV. Bike Patrol arrived on the hit and run and was able to give the tag out to the units working. CIU took the information about the tag and was able to find it on the city cameras and put the vehicle on Flock. A few minutes later, CIU advised that the vehicle hit the Flock camera in Dunwoody. At 1400 hours, Chamblee Police notified us that they had the vehicle and three suspects at a park in their jurisdiction. Street Crimes, Bikes, and K9 responded to the park and took custody of the suspects. Inside the vehicle was the victim's purse, a stolen firearm, and clothing matching the description of what the suspects were wearing. The two adult suspects and the juvenile suspect were arrested, charged and transported.

RECREATION AND PARKS

Projects

- Hammond Park Improvements – A bid was awarded for construction of a retaining wall off field on the southeast side of the property behind the turf field to safeguard movement by utility vehicles operating to maintain field lighting. Ground conditions depending, erosion control measures will be installed next week.

WEEK ENDING FEBRUARY 17, 2023

- Morgan Falls Athletic Complex – A Notice to Proceed was issued this week for work to commence and includes the replacement and addition of shade structures, overhead safety netting, bleacher replacement, and some stormwater improvements at the park.
- Ridgeview Charter Middle Improvements – Two tennis and six pickleball courts are complete. Staff meeting with school to prepare for public use next week.
- Trail 2A - Finishing installation of conduit on spur trail this week (from Edgewater Apartments to western end of Orkin Lake.) Grading and stone put down in advance of 200' of planned pervious concrete on Cimarron Parkway.
- Two week lookahead: Install the balance of pervious concrete where Cimarron Parkway has been prepped with stone while temporarily omitting the areas of the cantilever wall over the creek and the rubble wall. This work will stop just short of the (now demolished) concrete dumpster bay. Continue installation of curb and gutter adjacent to the recently poured pervious concrete. Weather depending, complete compaction in remaining areas on spur trail, install rock and heavy-duty concrete along its length (south side of Orkin Lake), during the week of February 27.

(Left to Right) – Trail 2A, Lost Corner Preserve, Ridgeview Charter Middle School Tennis Courts

Maintenance/Landscaping

- The Sandy Springs Tennis Center monument sign rebuild has been completed after damage from a vehicle.
- Staff installed a post and chain barrier around sensitive-to-foot traffic areas to protect the gardens and delicate plants at Lost Corner Preserve. The barrier will not interfere with flower gazing and will keep beneficial insects from being walked on and ensure the maintenance provider is aware to not service these areas.
- Staff had one landscape contractor remove invasive plant material from two properties on East Powderhorn Road. Chinese privet and English ivy are prevalent on the two locations. The privet will be ground through a chipper and used for mulch to restabilize the areas cleared.
- Staff found giant tree across Brandon Mill Rd just south of Lost Corner at 6:45am on Sunday. Assisted Sandy Springs police department in directing traffic and helped fire department cut up and clear the tree off the road.
- Staff spread mulch at Morgan Falls Athletic Complex and South Greenway.
- Staff removed trees from walking trails at Big Trees Forest Preserve and Overlook Park.
