

APPROVED ALCOHOL AWARENESS TRAINING PROGRAMS

Rules and Regulations

Chapter 6, "[Sec. 6-61. - Alcohol awareness training certification required.](#)"

(a) The applicant for a license under this article shall present to the city manager current certification of attendance at an approved alcohol awareness training program. Such certification or approved alternative program shall be verified and signed off by the chief of police.

(b) If the applicant lacks such training and certification, the applicant shall have 30 days from the date of the granting of the license to complete the training and submit certification to the city manager. Upon due cause being shown, the city manager may grant an extension of time, not to exceed 60 days, to complete said training. Failure to timely obtain such certification shall be grounds for revocation of the alcoholic beverage license.

(c) Every applicant to whom a pouring permit is issued and all managerial staff of a licensee shall also complete an approved alcohol awareness training program within 30 days of being issued a pouring permit, being employed as a part of any managerial staff, or being issued a license in the case of the named individual licensee.

The City of Sandy Springs does not endorse nor are we compensated by any of these programs. These are suggestions that we have found and the chief of police feels that they are adequate for the training requirement.
