Roberts Drive Multi-Use Side Path Scoping Study Open House

October 28, 2024

Welcome to the Roberts Drive Multi-Use Side Path Scoping Study Open House.

The proposed project would construct approximately 2.2 miles of shared use side path alongside Roberts Drive. The scoping study proposes two phases of construction, between the intersection of Roswell Road and Dunwoody Place. The goal of the project is to create a safer, more comfortable walking and biking environment along Roberts Drive, increasing connectivity to parks and greenspace within Sandy Springs.

We invite you to review the proposed improvements and provide your feedback.
