## SIGNIFICANT INCIDENTS

Fire units responded to the following reported incidents:

- A water rescue at the Johnson Ferry Road boat ramp. According to dispatch notes, six people were stranded on rocks in the Chattahoochee River. Personnel launched the swift water boat and located all six stranded individuals in shallow water around 0.75 miles downstream from the boat ramp. Personnel noted no obvious injuries and all six individuals were relocated to shore with no medical assistance needed.
- A structure fire in the 8000 block of Adair Lane. Upon arrival, personnel found visible smoke from the second-floor breezeway of a multi-residential housing unit with occupants evacuating the structure. A resident advised she had an object in the broiler catch on fire while using the oven. Further investigation found heavy smoke in the affected unit with active fire in the broiler. Personnel extinguished the fire with a water can and ventilated the unit using a Positive Pressure Ventilation (PPV) fan.
