

# Thank you for attending the TSPLOST public information meetings

All cities must present the lists of potential projects for TSPLOST to Fulton County by this June. If authorized, residents will vote whether to approve the referendum on **November 3, 2026**.

Public input on future transportation improvements throughout Sandy Springs helps the City prioritize projects for the upcoming 2026 TSPLOST referendum.

## **If approved, TSPLOST 2026 will fund:**

- Bridges
- Congestion Relief
- Operations and Safety
- Pedestrian and Bike Improvements
- Roadway Projects
